How to apply to
Thaddeus Stevens College of Technology

Programs in architecture, automotive repair, business administration, carpentry, graphic design & more!

1. **Go to www.stevenscollege.edu and click on "Apply" at the top**

2. **Scroll to down the page and click on "Apply now"**

3. **Click on "create a My Forms Account"**
   - Create your account **using an email you check often**, and a password between 4-10 characters.
   - Be sure to use your legal name as it appears on official school documents and standardized tests. This will help the school match documents to the correct person.
   - **Select "Create Account", and then sign in using your email and new password.**

4. **Select "TSCT Application for Admissions Fall 2022"**

5. **Scroll down and click "Next" & begin completing your application.**
   - *Only questions with * are required.* Once submitted make sure you speak with your counselor and ask them to *send your transcript and fee waiver if applicable*.

6. **Placement testing**
   - **As a new applicant, you will need to take a placement test for reading, writing and math.**
     - You may be exempt from this test if you have a Math SAT score of 530 or higher and Reading SAT score of 480 or higher.
     - Make sure you send in your scores if you meet their benchmarks.
   - You will receive an email to schedule your placement test once all required documents have been received. It is also possible to complete the exam online and the links can be found in your MyStevens student portal.
